All the fun of the fete!

Our big birthday bash Annual Summer Fete, to mark the village's 40th birthday, took place on the Village Green on Saturday, 7th July.

And didn't we all have a great time!

Despite a heavy shower just before the official opening, the sun shone on us all afternoon, making it the perfect day out for everyone - in fact, I think quite a few of us got quite sunburnt!

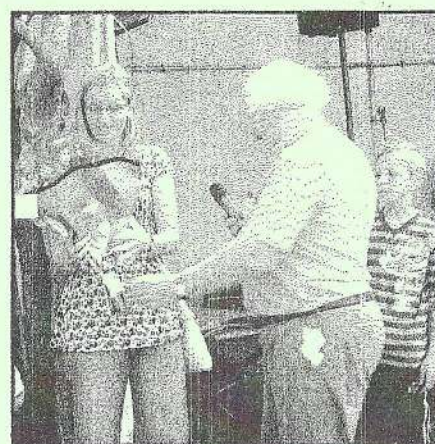

The enormous Helter Skelter, situated in the car park, proved a resounding success - with as many adults as children queueing for a turn! And a surprisingly large number of people returning for go after go - from tiny toddlers to grown men.

The displays inside the Village Hall were very popular - and very good. And the entries for the cookery competition had all our mouths watering.

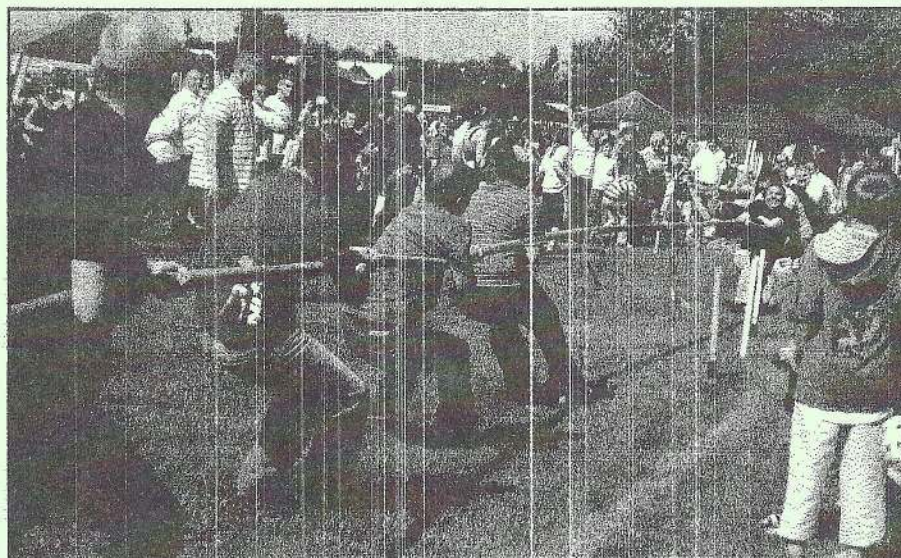

On the Village Green, the stalls were busy all afternoon, selling their wares and feeding us all some very tasty food.

Lots of fun was had by all at the sideshows and games, and the display of vintage tractors and motor bikes kept quite a few "big boys" happy.

All in all, I think we all had a great day out. And a very big "well done" and "thank you" to everyone who helped!

above: Amidst much laughter and bravado, the Tug of War competition was a huge success!

right: The Punch and Judy shows - like the Helter Skelter - proved popular with both young and old

Letters to the Editor

Dear Editor...

Now that it is summer, once again the dog owners are coming on to the children's playing field. Not all the dog owners pick up their pet's mess, which makes it bad for the ones who are considerate. There is a perfectly good alternative on the perimeter road and beyond. Could not the playing fields be designated a "dog-free" zone as in many villages?

Mistaken Identity

Committee ladies of Happy Hours Club
Decided we'd have a treat
Clutching our FREE bus passes
We travelled to Drummer Street

Where to go now? What to see
The choice is not that vast
Newmarket seemed a good idea
Two buses - one slow - one fast

You've guessed it - we chose slow
Through villages bright with flowers
Stuck behind a wide-load tanker
The journey took almost two hours

We enjoyed the search for bargains
In shops both large and small
We dined in the Racehorse Museum
With racing paintings on each wall

It was while choosing birthday cards
A lady's question took us aback
"Are you from the Day Centre dears?
And shouldn't you be getting back?"

Well that really got up our noses
And we answered in superior tone
"NO - we're not from the Day Centre
madam
But we do run one of our own!"

PS We took the fast bus back - ½ hour!

Dear Editor...

Please remember that the "strong sense of community" you write of is only among the small group of Conservative Party members who run the Residents' Association and the Christians who go to church. For the rest of us, Margaret Thatcher's comment "there is no such thing

as society" is the reality of living in Bar Hill, which is just an appendage of Tesco with all its traffic and pollution. How many people have died alone in Bar Hill, unknown even to their "neighbours"? But this does not look good in the BHN - let's pretend there is a "community", because reaching out to those who do not belong to the Church or Conservative Party would be too challenging. How cosy this falsehood is!

Editor's Reply...

Firstly I'd like to point out that the Bar Hill Residents' Association is open to ALL residents of the village - regardless of their political views, religion or race - and I can assure you it is NOT a purely Conservative or Christian association. The only criteria needed to become involved in the Residents' Association is to live in Bar Hill. Our meetings are very informal and are held in the Parish Council Office on the second Wednesday of every month. If you are interested in coming along - maybe just to see the reality of what we do - then simply contact one of us and we'll give you any information you want.

Yes - the BHN does include articles from members of "political" groups - such as those from our Parish, County and District Councillors. But these people are our democratically elected members of those councils and I would have thought that, as such, they would be reflecting the views of the majority. Is that not what a democratically elected representative is there for? Have we not chosen them to speak on our behalf? And therefore is it not right that the BHN should relay to Bar Hill residents what our representatives are doing for us? I'm sure there would be many residents of the village who would feel the BHN was failing if it did NOT include their reports.

Apart from the "christian-" and "politically-" biased features it is said we include, I would have thought a flick through any issue of the BHN would have shown that there are more articles relating to totally non-political and non-religious groups. I cannot see how a report on the local football or cricket club is politically motivated, or the religious angle within the articles relating to all our childcare facilities. The BHN will feature articles

from almost any person or group that chooses to supply us with information - we do not select who can and cannot submit material. So long as it is relevant to residents of Bar Hill and is not offensive, space and time permitting, the BHN will feature it.

Having moved back to Bar Hill myself a few years ago, after many years away, I was very surprised to discover that Bar Hill does, in my opinion, have a very strong community base. The Bar Hill I left in the 70's is NOT the same village as the one I returned to - which is partly why I chose to come back. I am amazed as just how many different groups, clubs and activities - for ALL ages - take place in the village. I returned to Bar Hill from another "new" village - one established in the 1830's - and I can assure you that in the 40 years Bar Hill has been in existence it has achieved a much greater sense of community than obtained there in over 150 years! And I, personally, think that has been down to the determination of a wide group of residents who have wanted to live within a community, not just to "exist" on a housing estate.

And yes - Bar Hill is often thought of as the housing estate next to Tesco. But I can remember just as many complaints back in the early 70's about the lack of shopping in this village. I'm not defending Tesco - but I seriously think it should be viewed as an asset to the village, not a drawback.

A community is what you make it. And sitting back and expecting everyone else to do things for you is not going to help. If you want to improve your village then you have to get up and do something - as many people within the village have. And I think we should be commending those people, not finding fault with what they haven't done. Yet.

Of course Bar Hill is not perfect - where is? We have our problems. But there's no point just moaning about it - you have to get off your backside and do something!

Opinions expressed here are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to edit material and withhold names and addresses where deemed appropriate.

Speed kills

The Parish Council has received correspondence from a resident about some drivers who are speeding around the ring road. The resident is upset because recently two cats have tragically been killed - one of them belonging to that resident. The Parish Copuncil is concerned about these inconsiderate drivers, particularly with the lighter nights now and children playing out later. Killing a cat is bad enough - but how would the drivers feel if it were a child that they hit?

The resident concerned would like to say "thank you" to the gentleman who kindly placed the cat on the grass verge and went to report it to the resident.

POLICING IN BAR HILL

I have been the local officer for Bar Hill for nearly six years now and have many memories about the village, but the one thing that I still find annoying is the story that the Cambridge Evening News ran under the headline of RIOT VANS OUT IN BAR HILL or something similar. I can still remember the angry phone call to the reporter and pointing out to him that the van was simply there due to the fact that the specials were driving it and there was no riot. He said he was sorry, but this simply highlighted to me the problems that Bar Hill was experiencing at the time and the image that the village had in the community at large. Despite the changes that the village has seen in the last 2 or 3 years it sadly still exists. The late bus service to the village was withdrawn due to problems on it, and in particular one incident which the offenders were from St Ives but once again it was the fault of Bar Hill and the "youths" who live there.

But as I said things have changed over the last 3 years. PCSO Llian COLE was appointed around 3 years ago and this effectively doubled the policing presence in the village. She was able to engage with both the youth in the village and the other various groups. This meant that it became harder for the trouble makers to avoid the police but even with the extra patrols it still didn't get to the roots of the problem. The groups were being moved on and when the police left they were coming back, it was a vicious circle.

Various meetings were held with South Cambridgeshire District Council, the Parish Council and the Police. Various different ideas were discussed and a piece of analytical work was commissioned about the problem. This work was completed by Isabella MOORE, one of the Forces Intelligence Analysts, which highlighted a number of issues. One of which was that the problem did not get significantly worse in the summer months, if anything it was worse in the winter and also many of the people who were committing the acts of Anti-Social Behaviour were coming from outside of the village.

The District Council then held a number of public consultations to discuss the possible solutions to the problem. There were two front runners, a Designated Public Places Order (DPPO) and a Section 30 Dispersal Order. The

DPPO, which is permanent, gives extra powers to the police in terms of dealing with people who are drinking and being anti-social, and a Section 30 gives the police powers to move on groups of people, 2 plus, who are acting in a anti-social manner. This lasts for six months and would need to be renewed. At the last public consultation the decision was made to suggest to South Cambs that the DPPO was going to be the best option to deal with the underlying problems. This was discussed by the council and the decision was made to agree the DPPO and it was enacted in April 2006. Just prior to this a community survey was completed to get a base level of the feeling in the village.

After the DPPO was put in place the effect it had on anti-social behaviour was much better than anyone hoped, it was almost like turning off a tap. The groups that had previously been hanging around in the areas outside Tesco and the Church stopped hanging about in these areas. Reports of groups of youths coming into the village to drink and cause problems have stopped. All in all the DPPO was hailed as a success.

But the image of a village plagued by anti-social behaviour still haunted Bar Hill. At around the same time Cambourne started to suffer from anti-social behaviour problems of its own and the residents of Cambourne have put 1 and 1 together and got 5 and blamed the youth of Bar Hill and more particularly the DPPO saying it was displacing the problem from Bar Hill to Cambourne. They were even quoted in the local press saying this! None of this was evidenced by the parties who said it, they just thought that it was "Always Bar Hill". When the facts were checked it was found not to be the case, the people in Camborne were not from Bar Hill and neither were they the people who had been going to Cambourne previously.

After the DPPO had been in place for around 6 months a second community survey was conducted and the results of this were very positive. 70% of the respondents said they had seen a reduction in street drinking since the DPPO had been put in place and 63% of respondents said they believed that the DPPO had been a success. Only 13% of the people didn't feel safer since the DPPO was implemented. Interestingly a respondent

Bunty's Bites

Our regular monthly report from District Councillor, Bunty Waters

POLICING BAR HILL

I attended the Swavesey Panel Meeting on 22nd May which proved very interesting. These are the notes from the meeting:

The first meeting of the Swavesey Neighbourhood Panel was held at the Swavesey Primary School. 46 members of the public attended which included representatives from 15 of the 16 Parishes within the Neighbourhood. Also present were the Neighbourhood officers namely PC's Misik and Jones with PCSO's Mason, Mahoney, Pingerna and Blewett. We were given choices for the priorities which we considered should be adopted by the police to act on for the next 3 months. Advice was also given that consideration should be made to include up to three priorities as having too many will dilute the impact and subsequent positive actions carried out by the Neighbourhood Officers.

These were the following concerns to be noted for consideration of adoption:

Graveley: Speeding within the High St and lack of youth provision.

Swavesey: ASB within Cow Fen and the Green, Speeding, (High St and Ramper Rd) Drugs concerns within the village especially surrounding the college and its students, HGV's (parking and weight restriction offences).

Dry Drayton: ASB within the school grounds and HGV's using the village as a 'rat run'.

Girton: Speeding, cycle safety, parking (Dolphin Ln, Fairway, Wellbrook and Thornton)

Papworth's: Speeding, ASB displacement

and youth facilities, parking to include hospital issues, and HGV's.

Willingham: ASB on the recreation ground and by the Ploughmans hall, the green and near to the Co Op with adjoining footpaths. Underage drinking, speeding and parking.

Over: Speeding on all 3 routes into the village, fly tipping and parking in Overcote lane.

Elsworth: Speeding. Displacement of youths, mini mopeds, school parking.

Fen Drayton: Speeding in Cootes Ln and Mill Rd.

Conington: Fly Tipping off the A14, speeding and HGV restriction.

Knapwell: Speeding

Bar Hill: HGV's and parking

Boxworth: Speeding

From the above recommendations and concerns, those attending decided to adopt the following priorities.

- Fly Tipping

- Drugs: With emphasis on Swavesey Village College

- Traffic issues to include Speeding, Parking and HGV's

- ASB within Willingham, Swavesey, Fen Drayton and Bar Hill

In relation to these priorities, Action Plans will be raised by the Neighbourhood Officers with any actions completed being documented. Updates to the work undertaken will be provided at the next Neighbourhood Panel Meeting. It must be pointed out that officers will concentrate on areas identified within the village concerns rather than the whole of a particular parish.

It was suggested at the meeting that

only three priorities should be considered to ensure that officers were able to impact well on those concerns. Concerns were later expressed by a number of attendees (including County and Parish Councillors) that the priorities agreed were quite vague and encompassed a number of different priorities within one heading. An example includes the need to prioritise ASB within four villages rather than one identified hotspot area. There will be an update with actions undertaken at the next meeting which is to take place in Bar Hill on Tuesday 21st August although the actual venue is still to be confirmed. I hope many residents will attend.

DPPO A meeting was held on Wednesday 12th June at the Church to update Bar Hill Residents regarding the DPPO and where we are now with it on the village. It was felt that anti-social behaviour had decreased in the village and the feeling was that it had been a positive procedure to take. However, if residents do see any activities which they feel are anti social please call the police and get a crime number. This will be followed up by the police, it's better than reporting it to a neighbour as it cannot be actioned. Call 0845 456 456 4 to report.

I was very sad to receive an email regarding a cat which had been killed due to speeding on the perimeter road - a road which has a limit of 40mph. In the last week I understand that police have been doing radar checks on the perimeter road.

I can be contacted by phone on 201421/07734 690580 or e-mail bunty.waters@ntlworld.com

continued from page 4
to the survey said that they were worried about future anti-social behaviour because of the reputation of the area. A meeting was recently held and 92% of the people said they would like the DPPO to continue indefinitely.

The feedback from the public and the figures relating to calls from the public show that the DPPO has been a success, but Bar Hill is still believed to be a hot spot of anti-social behaviour even though it no longer has the problems it used to. The next challenge is how to "clean up" the reputation of the village.

I'm not naive enough to believe that

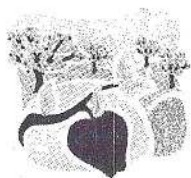

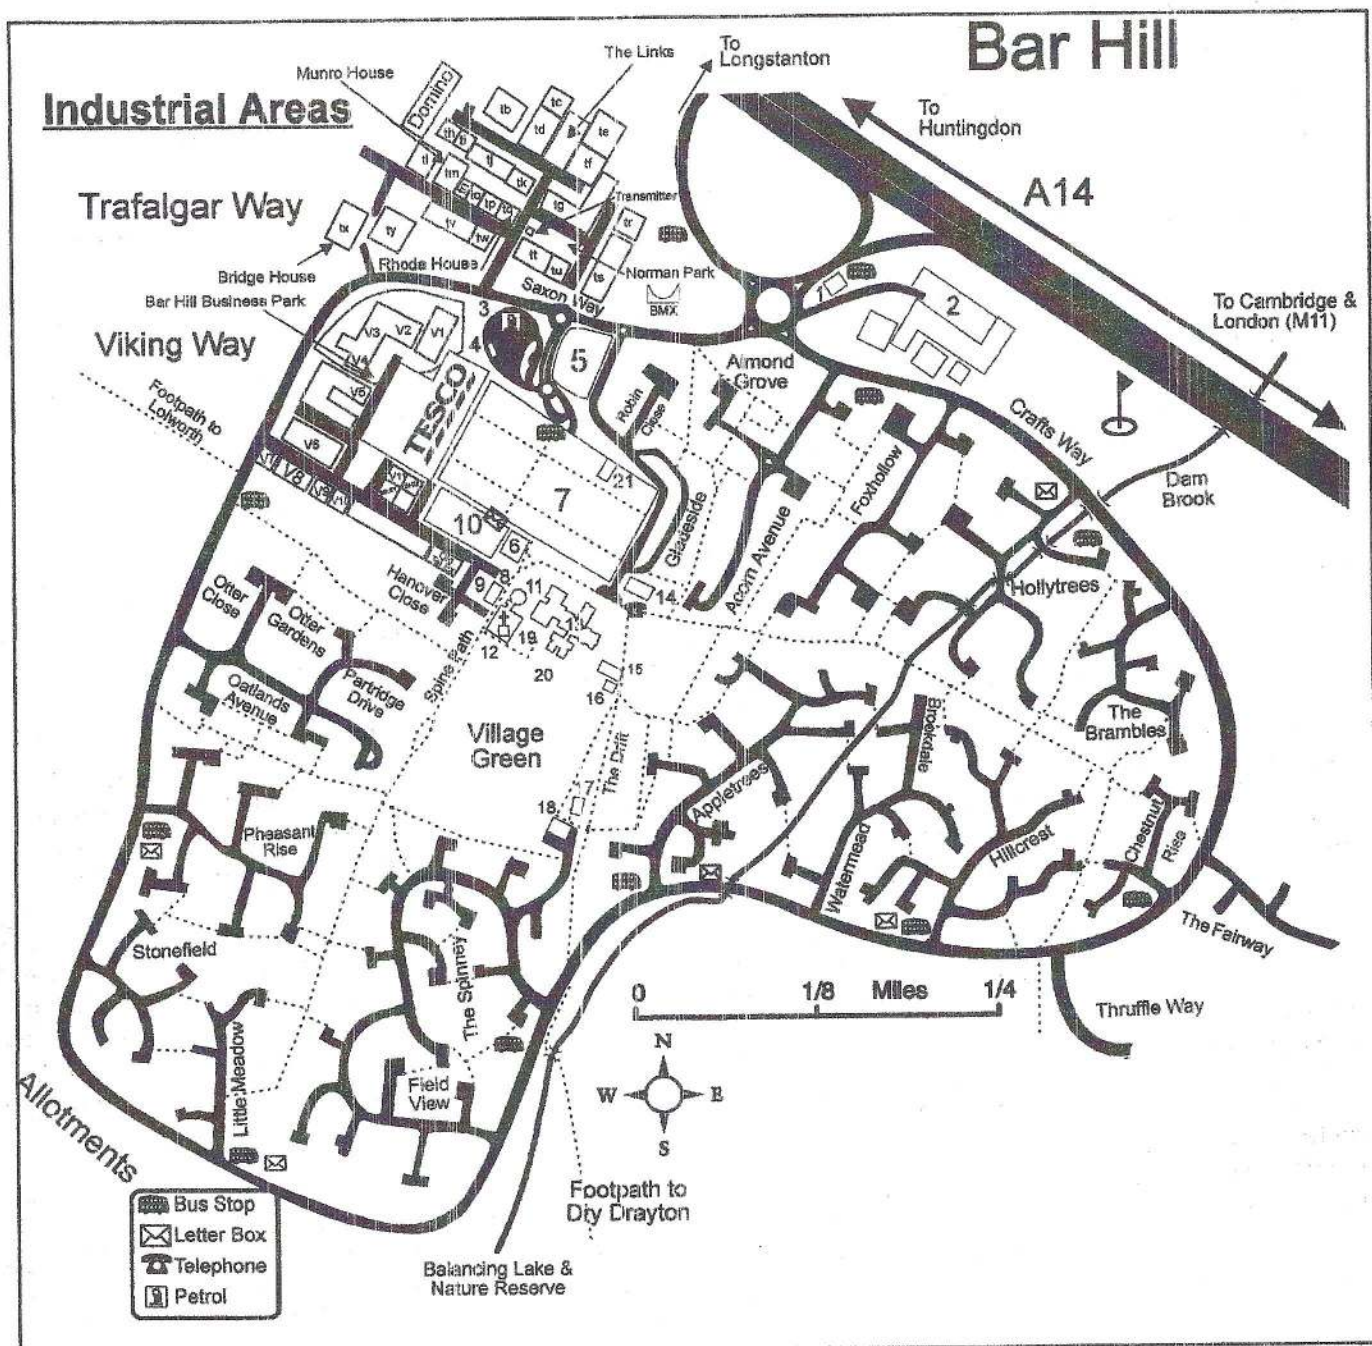

all of the problems have gone away and there is nothing left for us to do in the village. Llian has moved on to start her training as a police officer and she has been replaced by PCSO Karen Mahoney. There are still problems and issues for us to deal with and we will continue to do so. But to do this we need the help of the villagers. There are a couple of things you can do to help. Call us when you see things happening that you think we need to know about, *when it is going on*, not the next day. It is much easier for us to deal with things when they are happening rather than in the days after. Often people believe that its not important for them to

report what is happening as no doubt some one else has done it. It is far better for us to receive 10 reports rather than none - it lets us build up a better picture.

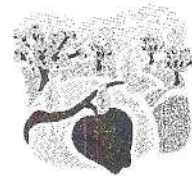

Also if people sign up to ECOPS via the forces website www.cambs.police.uk you can receive regular updates from the force about what is going on in your area, and also you can pass us information so we can act on it and deal with any problems that have been highlighted.

Again if you have any questions or concerns please contact me via the force switchboard on 0845 456 456 4 or email me at Kevin.misik@cambs.pnn.police.uk

Help stamp out drugs

As a result of excellent information received the local Community Officers who cover the village of Chittering, along with other Officers from the City executed a warrant at a house in the village. As a result of this on searching an outbuilding at the back of the house about a hundred cannabis plants along with heating and lighting were found in a shed. The lighting and heating is used in the cultivation of cannabis. As a result of the find, the plants were seized and the male householder was subsequently arrested for cultivating cannabis and also for being in possession of cannabis.

Do you know who is living in the house next door? Would you know if your neighbours were involved in drug-related or other criminal activity? We need you

to help us tackle the production and supply of cannabis and other illegal drugs. You can do this by being alert to unusual behaviour and being vigilant in reporting suspicious activity to the police.

Some of the tell-tale signs that a factory is being set up are:-

- curtains are constantly drawn.
- no-one seems to be living in the property
- there is a strange smell
- paper is put up at the windows
- there is excess heat coming from the property
- there is condensation on the windows or even on the brick work of the house

If you suspect drug-related or other criminal activity is taking place in your street call the Police on 0845 456 456 4 or Crimestoppers on 0800 555 111.

THE GREENHOUSE

Some of you may already have heard about the wonderful plans to replace the scout hut with a brand new state of the art building. The project is in the early planning stages, but we thought it was now time to spread the word.

As well as providing a new room, with storage for the Scouts, it is planned to include additional changing facilities for the various sporting clubs in the village. These will include changing rooms and toilets for both men/boys and ladies/girls. On top of this a kitchen area will be built in, which we hope will serve as a sort of cafe area for the future.

The "Greenhouse" name has been chosen to reflect the entire nature of the project, from utilising green building materials, including eco-friendly devices such as solar panels, through to providing a landscaped patio area for people to sit

and enjoy a coffee whilst they watch perhaps Bar Hill Cricketers in action.

All in all a great venue is being planned, but as yet nothing is finalised. This introduction is a way of hopefully encouraging a few more people to come forward and be part of Bar Hill's future.

If you are interested in joining in, and being part of this exciting project, we would love to hear from you. Please give any of the people listed a call, and they will be able to discuss ways in which you can help.

- Barry Dean - 205670
- Paul Gedny - 201074
- Tracy Seekings - 200918

We really look forward to hearing from you, and really hope you will enjoy helping to shape the new Bar Hill Greenhouse!

BAR HILL VILLAGE HALL

Bar Hill Village Hall is continuing to attract new users all the time as individuals and organisations from inside and outside the village get to hear of the great facilities on offer. Among the new groups to come in were the National Blood Service last month, but there are a host of regular users as well, including bingo sessions every Sunday, with doors opening at 7.15pm for

a 7.30pm start. Cash prizes are on offer every week, plus refreshments and a raffle, so come along and give it a try!

Don't forget, Bar Hill Village Hall is a smoke-free venue.

Full details of hire charges and facilities are available by visiting www.barhillvillagehall.btk.com or by phoning Helen Gordon on 206179.

Friends of the Rosie

Would you like to say "Thank you" to the Rosie Hospital?

Then shop online at www.rosieinstitches.org.uk for traditional handmade gifts. The Friends of the Rosie are enthusiastic volunteers whose aim is to improve the services the hospital provides by raising money for items that the NHS does not buy. They have a Tea Shop in the Outpatient Clinic and a loyal team who make children's clothes and toys to sell under the name "Rosie in Stitches".

The Friends of the Rosie are interested in the comfort of all Rosie patients, and supply specially designed furniture, as well as refurbishing wards. In the community they supply midwives with state-of-the-art equipment. If you can spare a few hours a week, or wish to make a donation, they would be happy to hear from you.

We are in urgent need of some volunteers who can manage our stalls at Addenbrooke's hospital once a quarter from 2007. Check out our website for more details at www.rosieinstitches.org.uk/volunteering.htm or telephone Avril 01954 782431.

We've found a new and easy way for you to raise funds for Friends of the Rosie Hospital - simply by shopping online! We've teamed up with easyfundraising, an online shopping directory listing over 400 of your favourite stores, including Amazon, NEXT, Debenhams, John Lewis, Tesco, DELL and many more. Every time you shop online with any one of them, we'll receive up to 15% of every purchase - at no extra cost to you!

It's completely FREE to register and use and it doesn't cost a penny extra to shop and raise funds in this way. In fact, you can even SAVE MONEY as many retailers give exclusive discounts, special offers and even 'e-vouchers' when you shop through the easyfundraising site.

All you need to do is log on to the easyfundraising site at <http://www.easyfundraising.org.uk/forh> - then register and start shopping! If you shop on line anyway, then why not raise extra funds for us by using this completely FREE service. Every penny you raise will

Sunshine Pre-School

Registered for full day care
**"Keep it simple.
Make it fun!"**

The Sunshine Pre-School is easily recognised by the beautiful and secure garden next to the primary school on the path opposite the library. We have a wide range of resources available to enhance your children's learning experience and development. We offer your child the essential opportunities of "LEARNING THROUGH PLAY". As members of the Pre-school Learning Alliance we work to the guidelines set out by OFSTED. All planning ensures the curriculum for the foundation stage and provides for each child according to age and ability.

Invitation

Parents and carers of children Under 2 are invited to bring the kids to "Sunbeams". On Thursday mornings the preschool will be given over to the little 'uns. They have full use of all the facilities and whilst the children play the grown ups can meet other parents and carers. Older siblings and "Sunshiners" are also welcome. There is a nominal charge of £1 and tea, coffee or juice are available.

Room and Facilities For Hire

Outside of pre-school hours the rooms, kitchen, toys and bouncy castle are available for hire. Ideal venue for children's parties, our "Party package" of the bouncy castle and playrooms is just £45! (£5 returnable deposit required.) For information on availability, pricing or to book please call Linda Rose on 01480 462025 or 01954 789099.

Little Acorns Pre-School

Little Acorns is a privately owned, non-profit making, pre-school. We are situated in the meetings room (next door to the main church building) and all play leaders are qualified Nursery Nurses/teachers. We are open every day, morning and afternoon, during school term time (9.15-11.45 am and 12.30- 3pm). There is a lunch club every day from 12 noon.

Monday, Wednesday and Friday afternoons are especially designed for children in the year before they start school and have a slightly different structure to our other sessions, including cookery, PE, woodwork and music.

Children are welcome to attend from age two years. From the term after their

third birthday children are entitled to 5 free sessions per week. We offer a "places for all policy", whereby we subsidize or give free places to families in need. Annually we ensure that at least three or four children are able to access good quality preschool education through this scheme. Please enquire about this. Parents may choose to help at sessions during our "bring your Mum or Dad to Acorns" weeks, which are very popular.

For more information, a prospectus, registration form, copy of our OFSTED report or to arrange a visit, please telephone Sally on 201074. If you would like to arrange a visit please phone Acorns direct on 7851803083.

Here's a snapshot of what we are up to:

- 1st Bar Hill Brownies have recently come back from a weekend away at Stibbington near Peterborough. The theme of the Pack Holiday was the Olympic Games and the girls made the most of the hot sunny weather by being outside taking part in Olympic events, such as relay races, javelin (made of straws), discus (paper plates) and shot-put (soaked sponges) as well as an opportunity to cool down with a big water fight! They enjoyed an evening outside with a photo trail. Then just before half term they finished the Culture Badge with a Fashion Show, which showed them

Girl Guiding in Bar Hill is a fun and exciting place to be, where girls of all ages enjoy a variety of activities.

wearing everyday fashion and fun clothes.

- 2nd Bar Hill Brownies have been doing activities based on the Right to Peace, have celebrated May Day and have had an Under the Sea Promise Party. We had a nature walk where we managed to collect and identify around 12 different leaves and make some natural sculptures. They will be making the most of the (hopefully) warm weather to come and doing outdoor activities for the rest of the term.

If you have any skills you could offer to the girls, please let us know. Are you good at crafts and could spare the occasional evening? Could you teach the girls your hobby? We're always on the look out for new ideas. And you don't have to commit to every week!

District Commissioner Vacancy

My term as a District Commissioner is coming to an end. If you are interested in becoming involved in Guiding but cannot do unit meetings each week, this could be the role for you. Interested? Then please contact me and I can tell you more about what this involves.

HAPPY HOURS

the recycled youth club

If you are aged 55 years or over, and live in the village, why not join our Club. We have nearly 80 members, but room for more. We meet at the Octagon each Monday from 11am to 3pm, when we engage in many activities, or just talk amongst ourselves. A good lunch is provided at a reasonable cost.

Speaker

On Monday 18th June, Joan Tanton had arranged for a most interesting talk given by Hannah Crofts, who is employed by the Arthur Rank Hospice in Cambridge. She spoke of the excellent work carried out by the 80 or so members of staff together with the 250 or so voluntary workers who spend a few hours per week in helping the hospice. Much care and help is given to the inpatients and the day patients, together with their relatives and friends who come along to visit them. Of course most of the costs of running the hospice is met by voluntary donations, and is not met by the National Health Service. At the end of the talk, Hannah was given a cheque for £30 to cover her expenses together with a further £60 donated by members who were present. A letter has been received from the hospice thanking us for the donation of just over £90. We all thought it was a good talk and a charity well worth helping.

Holidays

Our next holiday will be the Tinsel & Turkey holiday at the end of November when we shall be travelling to Sandown in the Isle of Wight. Names are now being

taken for next years Spring Holiday which is booked for Torquay.

Outings

Our outing to Market Bosworth took place on Wednesday 30th May, where we boarded a canal long-boat for a three and a half hour trip along the Ashby canal. Although space on the boat was a little cramped we had a good lunch of either chicken or pork chops followed by a dessert. There was also a well stocked bar with wine and other drinks available. Unfortunately, because of the high hedges alongside the canal tow path, we were not able to see the battle fields where fighting took place during the Civil Wars. There is, however, an area within the Visitors Centre, which describes the battle that took place in 1645.

Our latest outing was on Wednesday 27th June when a party of our members travelled for a day out to Clacton. Fortunately, the weather was fine with much sunshine, although there was a cool wind at times. Due to this, the beach was almost deserted and various promenade cafes were suffering a lack of customers at this time of the year. So much for the English summer! Nevertheless it was a good outing with plenty of fun. We must thank Helen Collins for the time and effort she puts into the organising of such outings and holidays. Keep up the good work Helen - it is appreciated!

Committee

Sid Hunt, the Chairman of Happy Hours, has informed the Committee and

members of the Club that both he and his wife, Ruby, will be relinquishing their offices at the next AGM due to be held in November. This will mean that there will now be four places to be filled on the committee at the next AGM. Both Sid and Ruby have served the Club well for the past 17 years, and it is mainly through ill health that, after all these years, Sid has decided to stand down. Sid has been dedicated to the Club for many years and no doubt he will be more than thanked in the next few months. In the meantime, we wish him well and with better health in the future months.

Village Fete

Due to holidays, I am having to write this before the Village Fete takes place! However, I do hope that it turns out to be a successful day. Happy Hours will be running a tombola stall and I must thank all the members who have supplied items for prizes. I must also thank those who will be supporting the stall together with those who will be helping to set up the stall and spending a few hours in running the stall. Many thanks - your time and effort is appreciated.

Sickness

Fortunately most of our members are keeping well, but I must mention Betty Crombie, who has recently been in hospital. We do hope you are recovering well and that you will soon be back with us. We do miss your smiling face - please hurry back.

Welcome to Bar Hill church!

*Have you seen the building next to the
Health Centre?*

*Ever wondered what Ecumenical
Church means?*

You are very welcome to join us and
find out!

When Bar Hill was founded local
Christians decided to have just one
building where five denominations
worshipped together. It was called an
ecumenical experiment.

Forty years on it is no longer an
experiment - it is a success!

The togetherness drew me to become

a member. There is a lot going on in the
church with groups for the youngest to
our most senior citizens.

If you would like to find out more just
come along on a Sunday; there will be
someone at the door to welcome you.

Full details of all our services,
complete with times, are on page 29.

BAR HILL COLTS IS
A CHARTER
STANDARD CLUB

PLEASE NOTE: The views expressed in this column are not necessarily the views of either Bar Hill Colts, or Bar Hill F.C.

BAR HILL CRICKET CLUB

Bar Hill have enjoyed a good start to the season, with some notable victories for both adult and youth teams.

In among the team successes, the under-13s stand out, with captain Sam Clare leading the way. Sam hit his maiden century in the victory over Cottenham, smashing 26 off the final over of the innings to reach 103 not out. Special mention must go to Grace Plumb, who batted with Sam for more than eight overs to help him reach his milestone.

It set up a win by 11 runs, and Sam followed up by hitting 90 not out as Bar Hill beat Cambourne by six wickets. Jason Churchley took three wickets in that match, and another three as the visitors from Over were bowled out for only nine runs. Sam played his part with the ball this time, with five victims as Bar Hill completed an eight-wicket win.

The under-14s have also enjoyed an unbeaten start to the season, with their latest victory coming against Milton. Chasing the visitors' 83 for 6, Sam hit 36 and captain Nick Warner 21 to complete the victory. The team also won by default against Cambridge Granta.

Meanwhile, the under-12s, in their first games together as a team – and featuring several players younger than their opponents – have been showing signs of promise as they take their first steps into competitive matches.

In the adult section, Scott Stanford put in the best bowling performance for the first team, taking 6 for 22 against Histon III. It helped hold the opposition to 137 for 8, and Craig Driver then hit 32 and David Cullum 31 as Bar Hill sneaked home by two wickets.

Stanford took a further four wickets as Bar Hill dismissed Cottenham II for 84, with support from Steve Holt and Barry Driver, who took three each. After some early alarms, Stuart Overall (36) and Phil Pelling (33) saw Bar Hill home for the loss of four wickets.

However, another low-scoring match went against Hill when they fell 11 runs short of Milton's 107 for 9. David Rush picked up three wickets.

Tom Levitt's 6 for 22, his maiden five-wicket haul, almost inspired the seconds to a remarkable win against Histon IV. Bar Hill's total of 86, in which only Paul Stimpson (24) reached double figures

always looked too few on a day when batting was difficult. But a superb bowling and fielding display saw Histon made to fight all the way before reaching 87 for 8. The seconds also claimed a default win – always frustrating – when Needingworth could not raise a side.

Sam Wilson hit an unbeaten 37 for the friendly team against Camden, but finished on the losing side as Bar Hill's 121 was overtaken by the home side with five wickets in hand, despite two wickets each for Jim Neal and Dave Fletcher.

A similar fate befell Adam Dean in a thriller against Beehive. He took three wickets as Bar Hill restricted the visitors to 130 for 8, then hit 35 not out, only for his side to be bowled out for 127.

The friendly team also tasted defeat against Fulbourn. Having mustered 106 in their innings (Pete Howard 27), Bar Hill managed to remove seven opponents before Fulbourn passed the finishing line. Chris Howse has bribed me to say he took the catch of the season (actually, it was quite good!).

Full details of the fixture list, plus a host of other features can be found at the club website, www.barhillcricket.org.uk

And we look forward to support when we take on the Social Club in the annual "Wrinklies" match on July 29.

May we once again thank our sponsors, Andy's Kars, the Sports and Social Club and Domino, plus Dave Stevens and the Parish Council and Village Hall Management Committee for their ongoing support.

Fenland Squash Club

Fenland Squash Club is a small, friendly and enthusiastic club with 3 excellent courts, viewing gallery, shower and changing facilities, leagues, teams, competitions and coaching. We offer everything for the beginner, returning and advanced squash player (and racket-ball too).

We have a very active junior, men's and women's membership, with players ranging from those who play to keep fit to those gunning to win the league.

There is no special clothing needed (just shorts, T-shirt, etc); except for the need to wear clean, non-marking white-soled sports shoes or trainers on court. If you don't own a racket or balls yet, we can lend them to you - that goes for racket-ball rackets and balls too. In fact, racket-ball can be an easier introduction for people who have never played squash before.

Located at Swavesey Village College, Fenland Squash is one of the most inexpensive clubs in the county, and we have free parking. Even better, our courts are open for you to play 24 hours a day, 7 days a week, giving you plenty of opportunity to play.

New members' evenings and membership offer

We welcome new members joining us at any time, but are holding two special new members' evenings to give you a taster of squash if you have never played before, or to re-new your enthusiasm if you haven't played for a while. On Wed, 15th Aug and Thurs, 20th Sept, these evenings are from 7pm-9.30pm at the club courts at Swavesey Village College, and later at the White Horse pub, Swavesey.

For all new members, we are offering your first month of membership free and when you join, you can choose between junior, solo, family, peak or off-peak membership - whatever suits you best.

If you would like to join the club or come along to a new members' evening, contact our Chairman, Geoff Green, on 231000 or e-mail g2book@mac.com.

If you cannot make one of the new members' evenings, still get in touch and we can arrange another time to introduce you to the game and some members of similar ability. Visit our website to find out more at www.fenlandsquash.co.uk.
